IF YOU DO NOT AGREE (A) DO NOT INSTALL OR USE THE SERVICES OR APPLICATION; AND (B) DELETE OR DISABLE ANY DOWNLOADED COPY OF THE APPLICATION IN YOUR POSSESSION OR CONTROL.

These End User License Agreement and Terms of Use ("**Agreement**") is a legal agreement between VIVERSE LIMITED and/or one or more of its affiliates (collectively, "**VIVERSE**") and You (an individual or entity) that governs Your access and use of the Services and Application. This Agreement is effective on the date You click to accept or when You begin use of the Services or Application, whichever event occurs first. You represent that You are lawfully able and have full legal authority to enter into this Agreement (e.g. are competent and of legal age and have full legal authority to bind the entity or company You represent). Your continued access to or use of the Services or Application following the posting of revised terms means that You accept and agree to any revised terms.

1. SERVICES AND APPLICATION; ADDITIONAL TERMS.

- a) The term "**Application**" means the VIVERSE application, including all associated media, printed or electronic documentation, content, and functionality, all updates and support (if any), and the Services described in Section 2(ii). The Application is a VR meeting application and service available for download on one or more VIVERSE platforms (as well as third-party platforms selected by VIVERSE from time to time). When You participate in a VR meeting, the Application collects and stores certain personal information from your HTC Account (e.g., name, email address), as well as the optional Application avatar linked with your HTC profile (if any). The Application may infer Your city-level location based on your IP address. The Application offers the ability to upload meeting files and media (such as screenshots) to Your personal cloud storage on VIVERSE. To enable the proper functioning of VR meetings, the Application temporarily stores meeting files and media until the expiration of the applicable meeting session. All data collection and use will be in accordance with the HTC Privacy Policy.
- b) Any additional terms provided to You in using the Application ("**Additional Terms**"), which may be amended from time to time, also govern your access and use of the Application. If there is a conflict between the terms in this Agreement and the Additional Terms, the terms in the Additional Terms will govern.
- c) **HTC Account, Password, and Security:**

You may be required to have a HTC Account or Single Sign-On ("**SSO**") account with third parties (e.g. Microsoft Azure). This is necessary to ensure access to certain functions in Services. You may not share any login credentials or passwords regarding the foregoing with any other individual. Your right to use or access the Services and Application is personal to you and not assignable or transferable. You may not assign or transfer Your

HTC Account with any other individual, except upon VIVERSE's prior express written approval.

d) **Membership Access and Responsibilities:**

For accessing full Services in VIVERSE, including login with SSO, create and load meeting spaces, meeting invitation, management console... etc., an active enterprise membership ("**Membership**") is required.

You are accountable for all activities conducted under Your account. Promptly report any unauthorized use or breaches to VIVERSE.

e) **Use of Services:**

The Services encompass various features such as meeting sessions, personal cloud storage, meeting space, content streaming and more for You to upload or share contents ("**Content**"). You may require Membership or permission from users with Membership to upload or share Contents.

You agree that You are responsible for activities of any users You invite, allow, direct, or enable to access the Services or Application ("**Invited Users**"). You acknowledge that You remain liable for the acts and omissions of any Invited Users, whether or not such access was expressly permitted by VIVERSE.

VIVERSE doesn't monitor Services but can remove Content. VIVERSE assumes no responsibility or liability for violations of this Agreement by You or Invited Users. If You become aware of any violation of this Agreement in connection with use of the Services or Application by any person, You must contact VIVERSE at <https://service.viverse.com/hc/en-us/articles/19417267815053-Contact-us>

VIVERSE may investigate any complaints and violations that come to our attention and may take any action, in its sole discretion, including issuing warnings, suspending or disconnecting the Services or Application, removing the applicable content, terminating accounts, or taking other reasonable actions in its sole discretion.

You agree that Content upload or share by You and Invited Users shall be accurate, lawful, and not in violation of the rights, including intellectual property rights, of third parties. To promote these objectives, VIVERSE provides a process for submission of complaints/takedown notifications regarding Content posted by users. Whether or not VIVERSE disable access to or remove Content, VIVERSE may make a good faith attempt to forward the written notification, including the complainant's contact information, to the user who posted the Content, and/or take other reasonable steps to notify the user that VIVERSE has received notice of an alleged violation of intellectual property rights or other content violation. It is also VIVERSE policy, in appropriate circumstances and in VIVERSE's discretion, to disable and/or terminate the accounts of users, or groups as the case may be, who infringe or repeatedly infringe the rights of others or otherwise post unlawful Content.
